- **Vice Secretary:** Ms. Martha Wanyoike
- **Treasurer:** Eng. James Karori

This dynamic team brings together seasoned professionals and emerging leaders committed to advancing ACEK's mission: **enhancing the business and professional interests of members while improving the quality of life and upholding responsibilities to society and the environment.**

The ACEK leadership has pledged to focus on the following priority areas:

- **Digital Transformation:** Embracing Industry 4.0 and 5.0 technologies to enhance engineering practices.
- **Capacity Building:** Strengthening professional development programs and mentorship initiatives, particularly through the ACEK Future Leaders platform.
- **Advocacy and Policy Engagement:** Enhancing collaboration with government and industry stakeholders to influence infrastructure development and legislative reform.
- **Stakeholder Collaboration:** Promoting dialogue with the private sector, regional and global partners, as well as offering support in arbitration and contract advisory.
- **Business & Knowledge Support:** Providing market insights, industry research, access to opportunities, and platforms for sharing best practices.

As ACEK continues to champion innovation and excellence, the new Council invites members and partners to engage actively in shaping the future of consulting engineering in Kenya and Africa.
